*On Remembrance Day We Remember...*

**By: Maegan**

We remember that soldiers fought for our freedom.  
 We remember to wear our poppies.  
 We remember all of those crosses.  
 We remember all of the colors like army colors.  
 We remember the soldier's families and how they would feel.  
 We remember that you gave us peace.  
 We remember that while you were at war you helped each other.

We remember that you let us be free and we are grateful.  
 We remember how you saved our country.  
 We remember the wonderful things that you did for us in war.  
 We remember how proud everyone was of the soldiers that fought in the war.
